**Reviewing Giving.** It is a year since John taught about giving in a series highlighting the Biblical basis for giving, including tithing. At the recent Church Meeting I spoke about an article about giving, that would take just 2 minutes to read. Its focus is about reviewing giving periodically setting some questions we can all ask ourselves which I commend to us all. The link to the article is below and a few copies of the article are on the table at the back. I recommend it to you. Ivor.

**If you have been touched or challenged by anything this morning, our prayer ministry team would be glad to pray with you after the service.**
